

## Apprentice Program Application

Lowell's Boat Shop is offering after-school apprenticeships for students between grades 8 and 12. Youth enrolled in this after-school program work alongside the Boat Shop's experienced staff and volunteers to learn the art and skills of traditional boatbuilding. Students need not have prior woodworking experience, though it is a plus.

Potential apprentices are expected to be at Lowell's Boat Shop on Tuesdays, Wednesdays and Thursdays from 3-5:30, and must display drive and dedication to projects assigned throughout the school year. We do our best to accommodate students' schedules, but would like to know of other commitments (sports, lessons, etc.) beforehand.

**A fee of \$150, due on acceptance into the program, includes a Lowell's Boat Shop Membership at the Family Level (\$75) and a contribution toward daily snacks.**

Completed applications can be mailed to:  
Lowell's Boat Shop 459 Main Street Amesbury, MA 01913

Please answer the following questions. There are no wrong answers, so please respond honestly. If you do not feel you are able to answer a question, please explain why.

**The Lowell's Boat Shop Apprentice Program teaches the art and skills of wooden boat building. Please tell us why you are interested, and why you should be selected for the program in an essay, approximately 250-500 words (on a separate sheet of paper).**

Have you ever built something with your hands? What did you make?

---

---

---

What books have you read in the last two years?

---

---

---

Briefly explain your interest in boats:

---

---

---

How would you typically spend a free weekend?

---

---

---

Are you able to commit to the project 2-3 days per week from 2:30/3:00 until 5:30 October through April?

---

---

What do you hope to gain from this experience?

---

---

---

**Please include a resume with this application.**
